

Raketu Extends VoIP Calling and Sms-texting Promotion

Raketu will extend its free VoIP calling and sms-texting promotion.

Consumers can take advantage of Raketu's free international

calling and sms-texting promotion when they make a pre-payment. Users who pre-pay receive up to 1200 minutes (20 hours) international calling per month for 3 months to mobile and landline phones in locations in over 40 countries around the world -- this pre-payment is not a monthly fee, it is placed in the user's account to be used for pay-for services. In addition, pre-pay users will also receive 3 free sms-text messages per month for 3 months to send to anywhere in the world. Raketu currently has the lowest calling and sms-text rates to any location globally.

Raketu runs over any Internet connection from roaming mobile to dial-up to broadband and offers consumers and businesses the ability to access their Raketu account from any device for free to lowest cost VoIP calling and sms-text rates globally:

- PC/Mobile to PC/Mobile: Totally Free: Raketu to Raketu calling and instant messaging anywhere in the world, requires both users running Raketu's desktop or mobile application.
- PC/Mobile to Phone: Mostly Free: RakOut Dial-out VoIP service, requires one user on Raketu, the other on landline/mobile phone. RakOut offers free calling to locations in over 40 countries around the world, and the lowest published rates on all other calls. In addition, Raketu offers free or lowest rate sms-texting to any location around the world.
- Phone to Phone: Mostly Free: RakWeb calling requires no software downloads with both users on traditional mobile or landline phones. This service can be used by anyone with access to a web browser or can be activated via sending a local sms-text message. RakWeb calling offers free calling to locations in over 40 countries around the world and can be accessed from any device including Windows, Linux, Mac OSX. Symbian OS, Windows Mobile, Nokia, BlackBerry, iPhone and Linux mobile. About Raketu Communications Inc.
